FAFSA Workshop

Complete the Free Application for Federal Student Aid. College Financial Aid representatives will be on site to help.

Why complete the FAFSA?

- Completion or Opt Out is a graduation requirement
- Families assume they won't qualify. In reality... many more qualify than you think!
- Families may experience a change in financial circumstances, such as a job loss after the filing deadline
- Some colleges require a FAFSA in order to be considered for certain non-need-based scholarships.
- It only takes about 30 minutes to complete, if you have all necessary info handy

Workshop Details:

12th October, 2022 at 6pm
